CONTESTS

Sixteen Hundred Persons Had Sports, Games, Competitions and Amusements.

The third annual outing and picule of the employes of the American Locomo-tive Company's Richmond Works at Buckroo Beach yesterday, though perhaps excelled in the number participating, was in many respects superior to any one, save by comparison with the mammoth ones of 1902 and 1903, for no fewer than 1,600 persons went down in the long

The journey and the entired day were without mishap of any sort, the weather was ideal, the deportment of all the nearly two thousand people was faultless, and there was, in short, nothing to mar the perfect harmony and pleasure of an ideal pionic. Practically every one connected with the great plant, from the managing director down, was present.

Governor Montague, who was in the vicinity, came over 10 the beach and spent the afternoon with the picnic party, witnessing with pleasure the various contests and enjoying them all. He made a very happy little address to the assembled throng and was received with great enthusiasm. great enthusiasm.

Torbert-Harper Suit Recalled.

NORFOLK, VA., June 18.—A. P. Growley, of New York, is suing the Norfolk and Southern Railroad, which has the control of the Norfolk, Virginia Beach and Southern Railroad, which has the control of the Norfolk, Virginia Beach and Southern, including the Frincess Anco Hotel, for \$15,000, for breach of contract. The plaintiff sues on the profits that he would have made in the conduct of the hotel, on the profit to arise from the sale of the privileges and on file loss he sustained from the failure to make other engagements.

The suit of Archibald Sherrod against Charles F. Harper was dismissed by Judge Portlock in the Norfolk county Circuit Court to-day, the plaintiff having entered a non-suit, to the granting of which counsel for Harper noted an exception. Suit will now again be instituted in United States court, it having been brought in that court while pending in the county Circuit Court and Judge Wadill dismissed it on the ground that he would not take jurisdiction while the case was pending in the State courts.

The suit recalls the famous Torbert Harper suit, growing out of a real estated at a Port Norfolk. It has been tried once and a jury rendered a verdict in favor of Harper, but just before Judge

## POINT AGAINST SUNDAY BALL

(By Associated Press.) NEW YORK, June 18.—Justice Gaynor, NEW YORK, June 18.—Justice Gaynor, of Supreme Court, sitting as a magistrate in Brooklyn, to-night handed down an opinion in which he holds that games of professional base-ball, such as have been played at Washington Park this season—games to which the public is invited, and to which an admission fee is charged—are illegal on Sunday, being prohibited by the Sunday law. In this opinion the ministers, who have been fighting professional Sunday base-ball, have won their point.
